NOTE TO INDEX

Articles are listed alphabetically by title and numbered consecutively. Below are cross-indexes which facilitate the finding of an article either by subject or author.

Example: Shorter hours 17, 39, 43, 55

Referring back to numbers 17, 39, 43 and 55 in the master listing provides the title, page and month for each article on the subject of shorter hours. Thus No. 17 is "Creating Jobs Through Shorter Hours" (Economic Trends and Outlook) Page 19, November issue.
